3M™ Hard Hat H-700 Series

Ultimate Comfort Tough Performance

Experience Full-Shift Comfort with the 3M Hard Hat H-700 Series

The 3M™ Hard Hat H-700 Series is engineered to provide full-shift comfort, head protection, balance and stability. The lightweight H-700 Series features a unique top of hat design with a short brim and both a vented and non-vented version. This hard hat is made from high-density polyethylene and meets the requirements of the CSA Z94.1-05 Type I, Class C, G and E (Vented versions are class C only).

3M

Solutions for Head and Face Protection

3M™ Hard Hat H-700 Series is comfortable, tough and lightweight. Designed with a low profile for improved stability and balance, the H-700 Series provides ultimate comfort and protection from small falling objects striking the top of the hard hat. These hard hats feature accessory slots to accommodate 3M's cap-mounted ear muffs, headgear, faceshields and welding helmets. The 3M Hard Hat H-700 (Non-Vented) meets the requirements of CSA Z94.1-05 Type I, Class C, G and E. The H-700 Vented Hard Hat meets the requirements of CSA Z94.1-05 Type I, Class C.

The 3M Hard Hat H-700 offers:

- Comfortable, 4-point pinlock or ratchet suspension with height adjustment
- Replaceable brow pad
- Vented hard hat option
- Customized logo options
- Compliant when worn in the forward and reverse donning positions
- Short brim for better upward visibility
- Slots for accessory attachment

3M Hard Hat H-700 Applications:

- Heavy and Light Industrial
- Construction Work
- Oil and Gas
- Road Construction
- Forestry
- Mining
