# Cover Guard™

Adjustable lineset ducts and fittings

## Why Cover Guard?

### Protection

**Weather/UV resistance.** Remains attractive, providing protection for years.

**Protects from pets, pests, and vandals.** Flat bottom channel and elbow hugs wall.

### Ease of use

**Patented multi-stage adjustability.** Perfect to accommodate multiple zone linesets and allow the duct to expand.

**Interior Adjustable Tabs** allow the cover to quickly snap in and secure the cover in place. (Multi-zone = 4 tabs; Single zone = 3 tabs)

**Plastic cam screws.** Only requires a 1/4 turn to lock in place. Resistant to rust, over-torque or cracking the fitting.

**Pre-installed zip-tie clips.** Free-sliding zip-tie clips are pre-installed, relocating quickly and easily to position the zip tie where it's needed most.

### Versatile

**Complete system.** Available in a wide assortment of sizes and colors.

**All-in-one duct kits.** Everything you need for a typical installation in one box.

**Tested** to over 2,000 hours. Temperature range -4°F to 140°F

**CoverGuard™**  
ADJUSTABLE LINESET DUCTING
