

VETO PRO PAC®
TOOL BAGS THAT WORK

TU - 1

VETOPROPAC.COM

TOOL BAGS THAT WORK.

TOUGH. DURABLE. FUNCTIONAL.

VETO PRO PAC professional-grade, industrial-strength tool bags are designed by tradesmen for tradesmen. By keeping your tools accessible, organized and protected, you're not wasting time searching for tools. You are keeping the focus where it should be—on the work. And that leads to a GOOD day on the job.

Get a VETO, Get it Done.

// ERGONOMIC DESIGN

Comfortable, over-molded rubber grip and folding, hinged handle

// RUGGED CONSTRUCTION

Industrial strength double nylon stitching, PVC-impregnated 1800 denier body fabric, and oversized zippers

// MAXIMIZED STORAGE CAPACITY

Patented, sturdy center panel design for balanced weight distribution and vertical, tiered tool pockets for easy identification and access

// MARINE-GRADE RIVETS

Built to stand up to the rigors of professional use

// DURABLE WATERPROOF BASE

3mm thick polypropylene offers wear protection and vertical stability

"The Tech Pac allows me to keep all my tools exactly where I need them. From my meters to BX stripper, everything has its place, and an added bonus is having 2 free hands for other materials. Less time back and forth to the truck = more time working and more profit at the end of the day."

*—Rich Szlama
Electrician
Connecticut*

The Veto Pro Pac Tech Series offers technicians a better way to organize their tools and increase work efficiency.

Whether you're working on a small job that requires just a few tools, or a large job that's got you walking long distances or lugging all your tools up a ladder, this system of bags is designed to work together to solve any jobsite challenges technicians might face.

TECH-PAC LT

27 TIERED TOOL POCKETS // **4** STORAGE PLATFORMS

H: 19" x **L:** 14" x **W:** 8.5"

The TECH-PAC LT offers a stable, non-tipping platform that features tool storage on the front inside bay, and laptop, tablet and office supplies' storage on the back inside bay. Perfect for service technicians who require tools and technology but need to walk long distances, climb ladders or stairs during their workday.

"The taller Tech-MCT with full tape clip holder, outside pockets, neoprene pockets, etc. is ideal for HVAC Techs. This bag is obviously well thought out and designed great and it's a compact bag with the ability to hold many many tools. I am able to carry everything I need to respond to and service HVAC equipment. Also, it's able to store 12 inch pump pliers or long screwdrivers. I am definitely a satisfied customer."

—Emin Yakubov
HVAC Technician
Brooklyn, NY

// 35 INTERIOR TOOL POCKETS

For maximum tool storage, including 2 stretch neoprene pockets to accommodate different sized meters and testers

// ERGONOMIC OVER-MOLDED GRIP

Positive, comfortable connection to tool bag load

// DURABLE WATERPROOF BASE

3mm thick polypropylene offers wear protection and vertical stability

// BACK

// FRONT

TECH-MCT

44 POCKETS OF VARYING SIZE // **2** STORAGE BAYS

H: 14" x **L:** 10" x **W:** 8"

The TECH-MCT is a fully featured, compact tool bag offering 12" of vertical storage space zipped up to accommodate longer shanked tools and meters. With 35 interior pockets and 9 exterior pockets, stainless steel tape clip and electrical tape strap, the TECH-MCT offers maximum tool storage capacity in a compact, durable MC platform.

TECH-LC

53 TIERED POCKETS // **6** ZIPPERED POCKETS

H: 19" x **L:** 13.5" x **W:** 9.5"

This weatherproof, medium-sized service technician's tool bag organizes, stores and protects hand tools, meters, a cordless drill and accessories, making service time quicker and efficient.

TECH-XL

80 TIERED POCKETS // **14** NEOPRENE POCKETS

H: 20.75" x **L:** 16.5" x **W:** 9.5"

Built for work and built to last, this is the service technician's version of the award-winning VETO PRO PAC XL tool bag. The TECH-XL features 80 pockets and plenty of space for hand tools, parts boxes, meters, a cordless impact drill and more.

"I have had many tool bags during the past 22 years, but the Tech LC bag is by far the best tool bag I have ever owned. It takes a beating, and I love the vertical tool storage. I always recommend this tool bag to guys in my trade"
 —Walter Cunningham
 HVAC Building
 Maintenance Tech
 Florida

Veto Pro Pac's Tech Series Tool Pouches offer technicians and contractors multiple options to set up for smaller jobs.

The range includes meter bags, tool pouches and parts bags that store meters, diagnostic, repair and hand tools as well as small tools and parts.

XLT

The list of items project managers and jobsite managers need at their disposal is a lengthy one. Laptop or tablet, camera, safety glasses, calculator... And, need the tools? The VETO PRO PAC Laptop Series is designed to accommodate any situation with proper technology and tool storage, creating a mobile office built for jobsite durability.

LT

XLT

The VETO PRO PAC Laptop Series bags are designed for technicians who carry a wide variety of tools and use technology (either a laptop or tablet) as well as managers who visit jobsites and need a mobile office with some space for diagnostic tools.

LT

32 TIERED POCKETS // **6** ZIPPERED POCKETS
H: 20.25" x **L:** 16.5" x **W:** 7"

This mobile business laptop bag was designed with project and jobsite managers in mind. Store your laptop or tablet, paper files, and all the tools and accessories you need when you're on the jobsite or on the move.

XLT

58 TIERED POCKETS // **4** ZIPPERED POCKETS
H: 20.25" x **L:** 16.5" x **W:** 9.5"

A true hybrid laptop tool bag built to accommodate whatever kind of work order is on the books. Store your laptop or tablet, hand tools and meters, digital camera, safety glasses, calculator, and all the accessories that you need to get it done!

The original VETO PRO PAC contractor series of closed top bags includes solutions for carpenters, electricians and technicians.

Whether you need a small service bag for troubleshooting, diagnostics or job specific setups, or you are working on a major construction project that requires your entire arsenal, you will find options for any work environment or challenge.

MC

LC

XL

XXL-F

"The MC is the most compact, versatile and accessible tool bag for technicians that I have ever owned."

—Joseph Castronovo JR
SET Fire Alarm Technician
Boston, Massachusetts

// OVER-MOLDED GRIP

Positive, comfortable connection to tool bag load

// 1200 DENIER POLYESTER BODY FABRIC

Heavy duty and durable; reduces wear and tear

// 3MM THICK WATERPROOF BASE

3mm thick polypropylene base offers wear protection and vertical stability

MC

20 TIERED POCKETS // 2 STORAGE BAYS

H: 12.5" **x** **L:** 10" **x** **W:** 8"

The MC is an all-purpose tool bag perfect for job specific setups, offering 10" of vertical storage zipped up. With 15 vertical tool pockets on the front inside and 3 large meter and drill pockets on the back inside, the MC allows technicians and contractors the ability to set up multiple job specific bags that can also feed out of our LC, XL and XXL bags. Grab and go!

LC

51 TIERED POCKETS // 6 ZIPPERED POCKETS

H: 19" x L: 13.5" x W: 9.5"

This medium-sized tool bag is designed for technicians and tradesmen. It has the versatility to organize, store and protect a variety of hand tools, meters, and more.

XL

61 TIERED POCKETS // 6 ZIPPERED POCKETS

H: 20.25" x L: 16.5" x W: 9.5"

This award-winning tool bag is built for any trade but especially popular with electricians, as it holds more than 100 tools. As with all our bags, it is made with tough 1800 denier body fabric and an over-molded rubber, ergonomic grip.

"I am an electrician with 25 years in the field, most of that as a multi trade general contractor doing carpentry, plumbing, high end millwork, HVAC and electrical. The LC and XL are perfect for handling all of my jobs."

*—Greg Graham
Electrician
Tennessee*

// BACK

// FRONT

XXL-F

47 TIERED POCKETS // 7 ZIPPERED POCKETS

H: 17" x L: 25.5" x W: 9.5"

This bag is the "soft side" version of the classic carpenter's wooden tool box. It stores longer tools like hand saws, framing squares, pry bars, framing hammers, etc., in an open bay on one side and smaller hand tool storage in vertical pockets on the other side. Offering ergonomic transportation on and off the jobsite. This bag holds it all!

The **VETO PRO PAC contractor series of open top bags** has the same **sturdy construction and ergonomic features of the closed top contractor series** but offers **quick open top accessibility and tool storage convenience.** The open top bags have more space to store larger tools like cordless drills, extension cords, caulk guns, pry bars, pipe wrenches and more.

OT-LC

OT-XL

OT-LC

36 TIERED POCKETS // **4** ZIPPERED POCKETS
H: 17" x **L:** 13.5" x **W:** 9.5"

This compact version of the OT-XL is an open-top tool bag that holds up to 75 tools and gear like cordless drills, extension cords, caulk guns and anything else that fits. A compact grab-and-go workhorse.

OT-XL

40 TIERED POCKETS // **4** ZIPPERED POCKETS
H: 17" x **L:** 16.5" x **W:** 9.5"

This is the open-top version of the award-winning VETO PRO PAC XL, featuring the same sturdy construction and ergonomic features, but offering internal vertical pockets and open spaces to store larger punch-list items. This is a setup, grab-and-go bag which, like all OT bags, offers quick open-top accessibility and tool storage convenience.

The Veto Pro Pac Cargo Tote Series offers tradesmen the FIRST series of professional grade wide mouth tote bags. These rugged totes provide versatile storage and carrying solutions for a wide variety of jobsite situations: A catch-all bag for raiding the van; a carry-all bag for end of day cleanup; and, a more efficient way to carry bulky tools back and forth to the jobsite.

Made to stand up to the rigors of daily use, these totes feature 1800 Denier Body Fabric, leather handle grips and our signature 3mm polypropylene waterproof base. Cargo Totes are ideal for hauling large tools and bulky items, and handy for outdoor activities, everyday home storage and secondary travel bags.

CT-LC

CT-XL

CT-LC

4 TIERED POCKETS // **2** ZIPPERED POCKETS

H: 14.5" x **L:** 13.5" x **W:** 9.5"

This bag offers bulk carrying capacity with a rugged tote design and Veto Pro Pac's classic polypropylene weatherproof bottom, which allows quick and easy carrying/storage of bulk items from the truck to the jobsite or anywhere in between. An optional shoulder strap is sold separately.

CT-XL

5 TIERED POCKETS // **2** ZIPPERED POCKETS

H: 16.5" x **L:** 17" x **W:** 9.5"

The CT-XL has 40% more cargo storage than the CT-LC; it offers the ultimate bulk storage and carrying capacity for larger tools and accessories such as hammer drills, extension cords, boots, sawzalls, air hoses or even your pet lab. An optional shoulder strap is sold separately.

"The Cargo Totes have taken on so many uses! At the end of the day, I throw all of the miscellaneous tools in, do a quick carry out and organize the back of the trailer, putting the tools in the proper bags ready for the next assignment!"
